ACKNOWLEDGEMENT

An event as large as the 17th Annual Hifz and Qira'atul Qur'an Competition would not have been possible without the efforts and dedication of the countless number of people working behind the scenes. These brothers and sisters worked tirelessly to bring this program together, working day and night on all the small details that this type of program requires. Their reward is with Allah (SWT), as we can never thank them enough for all they have done. *Jazak-Allahu Khairan!*

We would like to extend a special thanks to our sponsors for their support and generosity. May Allah (SWT) accept their contributions.

A special thank you to all the participants and all of you for attending and taking part in the 17th annual competition. Such events would not be possible without your continued support. We would also like to extend our gratitude to all the Masajids, organizations, Islamic schools, businesses and restaurants for helping us promote this program.

Last but certainly not least, we would like to thank all of our volunteers for their dedication and commitment to this program.

A final thank you to those who have been part of this program for 17 years, all the participants, the volunteers, the attendees and the sponsors. *Jazak-Allahu Khairan!*

Please remember us in your Du'aas.
