Virtues of Knowledge

Hadith #1: Seeking Knowledge

Anas (RA) relates that Rasulullah (SAW) said, "The seeking of knowledge is an obligatory duty (Fardh) on every Muslim man and Muslim Woman." (Ibn Majah)

Note: Learning about the Religion of Islam is a duty upon every Muslim. Through knowledge one can understand more about right and wrong. Knowledge makes one a better human being. It makes one's life easier, happier, and more fruitful.

In Islam, knowledge includes the proper understanding of Deen such as Qur'an and Hadith, as well as the general knowledge of all other useful subjects such as math, science, and language. We should continue to learn all throughout life. We should strive to seek knowledge, put our knowledge to useful practice, and teach others what we have learned.

Hadith # 2: Health & Free Time

'Ibn Abbas (RA) relates that Rasulullah (SAW) said, "There are two blessings which many people lose: health and free time for doing good." (Bukhari)

Note: Health and time are two important blessings from Allah (SAW). When we are healthy we have the energy and strength to do more. We should utilize our health to excel in doing good. Similarly, we should utilize our time wisely in doing virtuous deeds. We should never waste our energy or time in doing unnecessary things.

We should thank Allah (SAW) for keeping us healthy and granting us time to be alive. The best way to thank Allah (SWT) is to use our health and time to do good deeds and seek knowledge.

Policies and Procedures

Admission Policy

Admission to the Evening Madressah is based on the following:

- Priority is given to returning students who were registered **during the allocated time period**. For any remaining spaces, waiting list students are contacted on a “first-come, first-serve” basis.
- Student’s acceptance will be conditional, based upon specific behaviour for a specific period of time and is inclusive of attendance and punctuality. If this is not met, the School reserves the right to remove the child from the program.

Students who wish to register after the classes have been filled will be placed on a waiting list and will be contacted if and when space becomes available in their grade. The current grade they are in must be indicated when completing the waiting list application form. Students will not be accepted in grades above or below their current grade.

Tuition Fee

The monthly fee for the Evening Madressah **(Not Including Ramadan and August)** is as follows:

- \$150 per month for 2 children
- \$210 per month for 3 children

Students are responsible for “catching up” on all assigned lessons missed during an absence.

Before handing in your child’s application form, please be aware that all students are strictly prohibited from taking part in any extra-curricular activities which may affect their attendance in the Evening Madressah School (Sports teams, clubs, groups, tutoring etc.).

In the event of chronic tardiness, meeting with the parents will be scheduled do discuss the reason for the student being habitually late. Students should be on time for classes. **Parents are advised not to drop off the children too early as teachers will not be responsible for the students arriving before 05:10 PM. As well, parents must ensure that children are picked up on time. Classes are dismissed at 07:25 PM. Islamic Foundation and teachers are not responsible for students after they have been dismissed.**

Homework

The goal of homework is to help students learn to make their school work a top priority. Assignments are intended to reinforce concepts learned in class. If excessive parent involvement is necessary to complete homework, please notify the school so this can be addressed with the staff. It is not the school's intention to overwhelm the student with homework.
